SUMMARY

Senior Full Stack Developer with 7+ years of experience designing, building, and deploying scalable web and mobile applications across fintech, enterprise, and SaaS platforms. Deep expertise in the MERN stack, React.js, Next.js, Node.js, and Laravel, with a track record of leading frontend architecture, mentoring engineers, and shipping real-time, role-based systems used by enterprise clients.

PROFESSIONAL EXPERIENCE

Manasvi Technologies | Full Stack Developer | Bhilai Oct 2023 – May 2026

- Developed scalable web applications utilizing React.js, Next.js, Node.js, and TypeScript.
- Built analytics dashboards and role-based access systems, improving reporting efficiency for enterprise users.
- Enhanced SEO and application speed using Server-Side Rendering (SSR) techniques, improving page load performance.

CogniTensor | Senior Frontend Engineer | Remote Dec 2022 – Sep 2023

- Led frontend development using React.js and TypeScript for scalable UI architecture.
- Created reusable component libraries to standardize design and improve development velocity across teams.
- Mentored junior developers and established code quality standards and peer review processes.

Manasvi Technologies | Full Stack Developer | Bhilai Sep 2021 – Nov 2022

- Delivered full-stack web and mobile applications for multiple clients under NDA, spanning React.js, Next.js, Node.js, and Ionic React.
- Managed end-to-end project delivery independently, from requirements gathering through deployment, while maintaining client confidentiality agreements.

TechPhant Consulting Group | Software Engineer | Raipur Jul 2020 – Sep 2021

- Developed full-stack business applications and responsive client portals.
- Integrated RESTful APIs with frontend interfaces to ensure seamless data flow.

Ethereal Corporate Network Pvt. Ltd. | Full Stack Developer | Bhilai May 2018 – Mar 2020

- Engineered CRM systems, interactive dashboards, and backend APIs.
- Utilized Laravel, CodeIgniter, MySQL, and JavaScript to deliver robust enterprise solutions.

PROJECTS

SecDesigner — Security Architecture Design Platform Jul 2025 – May 2026

Tech Stack: React.js, TypeScript, Redux Toolkit, Node.js, Express.js, PostgreSQL, Azure, Docker

- Developed and managed the end-to-end frontend architecture of a collaborative diagram-designing platform with real-time canvas editing and cloud architecture visualization.
- Implemented a drag-and-drop diagram builder, reusable UI components, centralized state management, role-based workflows, and WebSocket-based real-time collaboration.
- Collaborated with backend developers to integrate REST APIs, questionnaire systems, project/version management, and export functionality for enterprise security assessment workflows.

Chalo Bharat Dekhen Jan 2022 – May 2023

Tech Stack: Ionic 6 + React, Node.js, Express.js, MongoDB

- Developed a travel discovery app using Ionic 6 and React, offering multilingual support, location-based listings, and personalized itineraries.
- Designed and integrated backend APIs for places, categories, and reviews, ensuring smooth synchronization between frontend and server data.

Your Brand Mate Mar 2023 – Jul 2023

Tech Stack: Next.js

- Created an SEO-focused marketing website using Next.js with optimized metadata, dynamic routing, and sitemap generation.
- Developed a custom CMS backend API and connected it with the frontend for dynamic content management.

Cardel Mar 2021 – Jul 2021

Tech Stack: Next.js

- Developed a creative agency portfolio website using Next.js with Server-Side Rendering (SSR) for improved SEO and faster content delivery.
- Built reusable, responsive UI components and integrated dynamic API endpoints for project and testimonial management.

TECHNICAL SKILLS

Frontend: React.js, Next.js, Redux Toolkit, Zustand, TypeScript, JavaScript, Tailwind CSS, Ionic React

Backend: Node.js, Express.js, Laravel, CodeIgniter, PHP, REST APIs, WebSockets

Database & Cloud: MongoDB, MySQL, PostgreSQL, AWS, Azure, CI/CD, GitHub Actions

Tools: Git, GitHub, GitLab, Bitbucket, JIRA, Agile, Scrum

EDUCATION

Chhattisgarh Swami Vivekanand Technical University Aug 2013 – Oct 2017

Bachelor's Degree in Computer Science Engineering
